

# Managing a Masterpiece:

The Stour Valley  
Landscape Partnership

## Timber Frame Repairs Course

Lower Dairy Farm  
Nayland, Colchester, CO6 4JS

**25th – 27th August 2010**

Essex County Council are delivering a series of **free** Traditional Building Skills courses for the Managing a Masterpiece Stour Valley Landscape Partnership. At the first of a series of courses learn how to:

- Repair historic sole plates
- Repair studwork
- Prepare carpentry joints
- Choose the right timber
- Analyse the repair strategy
- Repair and renovate historic buildings using sympathetic, vernacular, traditional materials and techniques

The focus will be on increasing awareness of the need to continue working with traditional materials and in traditional styles to ensure the survival and continuation of built heritage.

### Course Tutor

Richard Green – Green Restoration
